

Ar. Sandeepkumar Prajapati

(B.Arch & M. Arch in Urban Design)

Associate Professor, AIKTC, SoA

Professor Sandeepkumar, an Alumini of Pillai's College Of Architecture (University of Mumbai), is an Architect & Urban Designer by profession. After graduating in 2006 he started his practicing career with Design Works Consultancy as a Designer while teaching in PiCA.

He founded "Gridworks Architecture & Interiors" in 2008. As a entrepreneur he has built up a corpus of work with his multi-talented & versatile artistic approach & experience in past 12 years. He was a lecturer at PiCA from 2007 to 2011. Being founding faculty at Anjuman-I-Islam, Kalsekar Technical Campus-SOA in year 2011, as Assistant Professor he explores Technology, Construction methods & Design with students. He conducts Hands on Workshops with Design discipline Institutes. His Pragmatic approach towards learning & experimenting is the key to success in Teaching & Professional Practice.

He is a fitness enthusiast and a regular cyclist.
