

Ar. Mohammed Zeeshan S. Kazi

(B.Arch.)

Assistant Professor, AIKTC, SoA

Mohammed Zeeshan graduated from Anjuman-I-Islam's Kalsekar Technical Campus – School of Architecture (Mumbai University) in 2016 and worked for Architect and GRIHA evaluator Anil Nagrath under graduate internship program. After graduation, he worked for Ar. Hemant Vaidya for 2 years as an assistant Architect.

Zeeshan's belief in architecture as a field with multi-sensory experience, urges him to be a keen reader and draws a delicate responsiveness within his pedagogy. His teaching career begins in AIKTC-SoA as visiting faculty in 2017 and later as a part-time faculty. In his brief period of teaching, he is involved in Building Construction Technology, Architecture Design Studio and Allied Design.
