DESCRIPTION OF EVENT IN 50-100 WORDS:

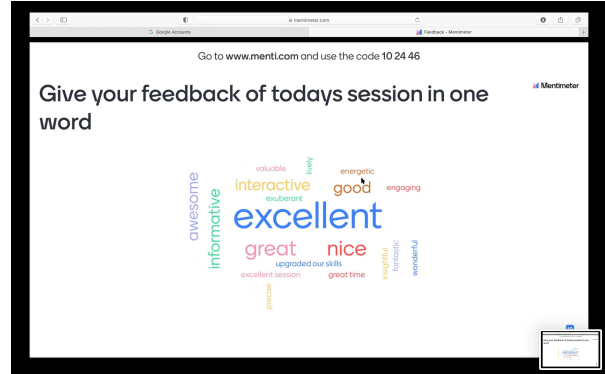

One of the initiatives of **Center of Innovative Teaching and Exuberant Learning (CiTeL)** is to encourage use of innovative pedagogy in teaching and learning by the faculty members of AIKTC. In line with this, a virtual workshop on Innovative methods of active learning to enhance students class engagement and learning outcome was organized. The workshop began with welcome note from Prof. Shaikh Abusufiyan, Controller, CiTeL. The session further continued with opening remark about the workshop by Dr. Abdul Razak Honnutagi, Director AIKTC. The different case studies of active learning in Pharmacy and Engineering and their implementation were shared by resource person. New technologies like Padlet discussion board, Kahoot, coggle mind map for effective active learning were introduced by the resource persons. Brain storming discussions were done by teams with resource persons on topics “**Teaching in active learning environment**”, “**Role of facilitators in active learning**” and “**Designing of active learning course content, challenges and solutions**”. The session was concluded with a vote of thanks presented by **Dr. Shariq Syed, Dean Pharmacy, AIKTC.**
