

Guidelines for Students: Online Exam

URL - <https://m-aiktc.digitaledu.in/>

Instructions:

- ☞ You can attempt online exam from Internet-connected devices like laptop, Smart-phone and tablet too.
- ☞ USE of Google Chrome browser is recommended for a better user experience.
- ☞ Allow Camera permission to the browser. Exam will NOT start without access to the camera. It's mandatory for remote proctoring of Online Exams.
- ☞ For security reasons, Apple devices do not allow camera access to browsers. Student shall NOT use APPLE / IOS devices.
- ☞ You can opt for uploading handwritten answers and images for attempting descriptive questions.
- ☞ Follow the instructions mentioned on each screen(s) for a better user experience.

Tips for reducing face violations:

- ☞ Make sure your entire face is getting captured by your camera
- ☞ Depending on the make/model of your device used for giving exam and depending on the default zoom level setting of the camera, you will need to adjust distance between you and the device accordingly, so that your face is too close or not too far.
- ☞ Avoid using of masks, veils, goggle and glares. Spectacles are OK.
- ☞ Try not to move out of the frame too frequently
- ☞ While giving exams student shall avoid covering face with palm, fingers or other opaque things for a longer duration
- ☞ Incase someone sweats profusely, they shall try to wipe out face quickly
